

STUDENT ACCOUNT BALANCES

The West Carrollton School District uses a debit system for students. You deposit money into your student's account for his or her future use in purchasing school meals. Free and Reduced Lunch applications are available year round; electronic, PDF version online, and at each building. Let us know if you would like us to send one. The Nutrition Services Department is entirely self-supporting with a goal of the end result at a break-even for the year. Keeping a positive cash flow in your accounts are essential; therefore,

- Daily phone calls and texts are sent when student balances are negative.
- Ala Carte will not be available to those students that have a negative account balance.
- If the balance continues to have a negative status, further action will be taken.

We thank you for your continued support of the Child Nutrition Program. If you have questions feel free to call or at (937) 859-5121, Ext. 1131 or email tpett@wcsd.k12.oh.us.

Enjoy the school year and let us know if we can be of service.

Respectfully,
Tina Pett, Food Service Supervisor
West Carrollton School District
